- (ii) for the entry in column 2 against item 1, the entry "Lahaul and Spiti district; Kulu thana (excluding Kanawar, Harkandhi, Chung, Kot Kandi, Bhallan and Sainsar zails) in Kulu tahsil of Kulu district; and Bir Bhargal zail in Palampur thana in Palampur tahsil of Kangra district" is substituted;
- (iii) in the entry in column 2, against item 2, for the words "Kulu tahsil" the words "Kulu tahsil of Kulu district" are substituted;
- (iv) for the entries against item 58 and 59 the following entries are substituted, namely:—
 - "58. Dadri. Dadri tahsil (excluding patwari circles Nos. 13, 14 and 16 in Dadri Kanungo circle and patwar circles Nos. 10 to 15 Badhra Kanungo circle) of Mahendragarh district; and Haluwas, Dhirana and Rajgarh villages in Bhiwani Sadar thana in Bhiwani tahsil of Hissar district.
 59. Bhiwani. Bhiwani city thana and Bhiwani Sadar thana (excluding Haluwas, Dhirana and Rajgarh villages) in Bhiwani tahsil, and Sul zail in Hansi thana in Hansi tahsil."
- (v) after item 154, the following note is added, namely:—

"Note.—The references to districts and other territorial divisions in the entries in column 2 against items 1 to 9 and 55 to 68 shall be taken to mean the areas comprised therein on the 1st day of January, 1964."

K. V. K. SUNDARAM,
Chief Election Commissioner.
[No. 282/PB/62.]

New Delhi, the 25th March 1964

S.O. 1118.—In pursuance of section 106 of the Representation of the People Act, 1951, the Election Commission hereby publishes the order pronounced on the 16th March, 1964 by the Election Tribunal (I), Rohtak at Ambala.

BEFORE SHRI MANMOHAN SINGH GUJRAL, MEMBER, ELECTION TRIBUNAL, ROHTAK (I) AMBALA

ELECTION PETITION No. 224 OF 1962.

Shri Ram Kishan Vs. Sh. Yudhbir Singh etc.

JUDGMENT

Through this petition under section 81 of the Representation of the People Act, 1951 (hereinafter called the Act), Shri Ram Kishan, who was one of the contesting candidates at the Election to the Mohindergarh Parliamentary Constituency has called in question the election of Respondent No. 1 Shri Yudhbir Singh, the elected candidate. The election was held on 24-2-1962 and the result was declared on 27-2-1962. Besides Sh. Yudhbir Singh, the declared candidate, and Sh. Ram Kishan, the petitioner, 7 other persons also contested the election, who were impleaded as respondents No. 2 to 8. Shri Yudhbir Singh had polled 105027 votes while Shri Ram Kishan petitioner had polled 93763 votes. The individual votes polled by other candidates are shown in paragraph 4 of the petition.

2. The election of the successful candidate Shri Yudhbir Singh respondent No. 1 has been challenged on a number of grounds, which it is not necessary to set down, because these allegations were given up by the petitioner and no evidence was led to substantiate these allegations. For the purpose of present enquiry only the following grounds are material:—

- (i) That the nomination papers of Sarvashri Devi Parsan respondent No. 2, Sh. Paramjit Kumar respondent No. 4, Bhartu respondent No. 6 and Sudhan respondent No. 7 had been improperly accepted and that this improper acceptance had materially affected the result of the election.
- (ii) That the withdrawal form of Shri Manohar Lal had been illegally dis-allowed.

On the basis of the above allegations it was prayed that the election of the returned candidate be declared void and the petitioner be declared duly elected.

3. The petition was contested by Sh. Yudhbir Singh, returned candidate and by Shri Devi Parsan respondent No. 2. Shri Devi Parsan denied the allegations and also denied having held any office under the Government of India in the Ministry of Rehabilitation at the time of filing the nomination paper or at any time afterwards until the date of polling. He stated that his services had been terminated by the Regional Settlement Commissioner with effect from 31-10-1961, and his nomination papers had been rightly accepted. The rest of the paragraphs of the petition were denied for want of knowledge. Similarly respondent No. 1 denied the allegations made in the petition and further stated that the nomination papers of Sarvshri Paramjit Kumar, Devi Parsan, Bhartu and Sudhan had been properly accepted and the withdrawal form of Shri Manohar Lal was rightly dis-allowed. Respondents 3 to 8 were served, but did not appear and ex parte proceedings were taken against them. On the pleadings of the parties a number of issues were framed, but only the following issues are necessary to be set down:—

Issue No. 1. Were the nomination papers of Devi Parsan, Sudhan, Paramjit Kumar and Bhartu accepted improperly and to what effect?

Issue No. 2. Was Manohar Lal respondent improperly dis-allowed to withdraw, and if so, to what effect.

4. By my order dated 4-9-1963 the following additional issue was framed and the parties were again given opportunity to lead evidence on the additional issue:—

"Has there been a non-compliance with the provisions of law relating to qualification and dis-qualification by the acceptance of the nomination papers of respondents No. 2, 4, 6 and 7; and if so has this non-compliance materially affected the result of respondent No. 1's election "

As no evidence was led on issues No. 3 to 8 and as these issues were not pressed, these issues are found against the petitioner. My findings on the other issues are as follows:—

Issue No. 1.

5. This issue is not seriously pressed in view of the following observations made by the Hon'ble Supreme Court in 9 E.L.R. 494:—

"If the want of qualification of a candidate does not appear on the face of the nomination paper or the electoral role, and no objection is raised to his nomination, the Returning Officer has no other alternative but to accept the nomination and the acceptance of the nomination cannot in such a case be held to have been "improper" within the meaning of section 100(1)(c), even though the Election Tribunal finds subsequently after enquiry that the candidate whose nomination was accepted was not really qualified under the Constitution to be chosen as a member of the Legislature. The election cannot be declared wholly void in such a case on account of the improper acceptance of a nomination under section 100(1)(c), but the case is one of "non-compliance with the provisions of the Constitution" referred to in section 100(2)(c) and the election of the returned candidate alone can be declared void."

This issue is, therefore, decided against the petitioner.

Issue No. 2.

6. The allegations in paragraph 5(a), (v) of the petition are that the Returning Officer had wrongly dis-allowed the withdrawal of Shri Manohar Lal respondent No. 8, who had made his application for this purpose through his agent-cum-proposer Shri Ramnij Das and who had been duly authorized to present the application. It is stated that this irregularity has materially affected the result of the election as the petitioner would have secured majority of the votes, which had been secured by Shri Manohar Lal, because Manohar Lal was congress worker and was a covering candidate of the congress party. In support of this allegation we have the evidence of A.W. 3 Sh. Ramnij Das son of Sh. Manohar Lal, respondent No. 8, who stated in this connection that Sh. Manohar Lal had given him a form appointing him as an election agent along with his withdrawal form and that he presented these before the Assistant Returning Officer. He further stated that these documents were not accepted by the Assistant Returning Officer and were returned to him, even though, both the withdrawal form and the form appointing him as an election agent, had been duly signed by Shri Manohar Lal. His statement is supported by that of Shri Manohar Lal A.W. 28, who deposed that he had appointed his son Ramnij Das as an election agent and had sent his withdrawal form duly signed through him for presentation. He further stated that his son had been authorized to withdraw his nomination. He proved the withdrawal form Ex. P. 11 and the election agent's form Ex. P. 12 and stated that his son came back in the evening and told him that the withdrawal form had been returned by the Assistant Returning Officer along with the election agent's form. He then sent a telegram to the Election Commission and also sent a representation to this effect. The Assistant Returning Officer Shri G. S. Aggarwal has also been examined as A.W. 35 and has not supported the statements of Shri Ramnij Das and Sh. Manohar Lal. His version is that application Ex. P. 11 had been presented before him by one Ramnij Das, but it was not accompanied by Ex. P. 12. In cross-examination he stated that the person, who had presented P. 11 was told to give proof that he had been authorized to present this notice of withdrawal and that he wanted to be satisfied that the presenter was the agent of Shri Manohar Lal. That person did not turn up on that day for satisfying him about his having been authorized to file the notice. He also admitted having received telegram from the Election Commission and proved his replies Exs. P. 7/A and P.W. 35/A. On behalf of the petitioner it is argued that the version given by Shri Ramnij Das and Sh. Manohar Lal was correct that Sh. Ramnij Das had presented P. 11 along with P. 12 and that the evidence of Shri Aggarwal was not true. It was also argued that the statement of Shri Aggarwal read as a whole gives an impression as if he was not sure of the facts and was trying to cover up his mistake of returning P. 11 and P. 12. It does appear that Shri Aggarwal's statement on this point is far from satisfactory. At first he stated that he did not remember whether P. 12 had also been produced along with P. 11 or not as there was no endorsement in his handwriting on Ex. P. 12. He then could not tell as to what he had done with the application Ex. P. 11, as the application did not contain any endorsement in his handwriting. He further stated that he was not

sure whether the date, time and name of the presenter on Ex. P. 11 were entered in his hand-writing or not. He also could not show any rule allowing him to return the application and could not give any reason as to why he returned the application to the presenter instead of passing proper orders on this application. The statement of Shri Aggarwal read as a whole does show that he did not act with the responsibility and care that he was supposed to bestow on the application Ex. P. 11. In spite of all this, I feel that the story given by him is true. This was the earliest version given by him in Ex. P. 7/A and P.W. 35/A. Ex. P.W. 7/A reads as under:—

“The person who wanted to present the notice of withdrawal did not give any proof that he was authorized by the candidate nor he had anything in writing by the candidate in this behalf as is required u.s. 37(1) of the Representation of the People Act, 1951.”

Same reply was repeated in Ex. P.W. 35/A and it was further added that the notice of withdrawal was not presented by the person authorized in this behalf in writing by the candidate and was, therefore, not admitted. Both these documents show that P. 12 could not have been presented along with P. 11. Even otherwise it appears highly improbable that Shri Aggarwal would have returned P. 11 if in fact it had been accompanied by Ex. P. 12 authorizing Sh. Ramnij Das to present the notice of withdrawal. In that case there would have been no reason or motive for Shri Aggarwal not to pass proper orders on Ex. P. 11. Shri Aggarwal's mistake lies in not passing any orders on Ex. P. 11 when it was presented without P. 12. His explanation seems to be correct that he returned P. 11 asking the presenter to give proof that he had been authorized to present the notice of withdrawal. Because Shri Ramnij Das had not brought the authority with him, he did not turn up again and P. 11 was not presented before Shri Aggarwal second time for obtaining his orders. While coming to this conclusion I am also conscious of the fact that the statement made by Shri Ramnij Das was not seriously challenged in cross-examination, but as the version given by Shri Aggarwal appears to be more probable, I accept Sh. Aggarwal's statement in this respect.

7. The question, however, still remains as to whether Shri Aggarwal had rightly not accepted the notice of withdrawal presented by Shri Ramnij Das. The withdrawal of candidature is dealt with in Section 37 of the Act, which reads as under:—

“Any candidate may withdraw his candidature by a notice in writing which shall contain such particulars as may be prescribed and shall be subscribed by him and delivered before three O'clock in the afternoon on the day fixed under clause (c) of Section 30 to the returning officer either by such candidate in person or by his proposer or election agent who has been authorized in this behalf in writing by such candidate.”

According to the above provision a notice of withdrawal duly subscribed by the candidate can be presented either by the candidate himself or his proposer or by his election agent, who has been authorized in this behalf in writing by such candidate. If the notice is presented by the proposer it is not necessary for him to carry a written authority from the candidate, which is necessary in the case of an election agent. Sub-section (2) of Section 37 further shows that a notice once presented cannot be cancelled. In this case notice Ex. P. 11 was presented by Ramnij Das, who admittedly was proposer of one of the forms of Shri Manohar Lal. He could, therefore, present the notice of withdrawal without a letter of authority signed by Shri Manohar Lal. The Assistant Returning officer was not justified in returning Ex. P. 11 on the ground that the person presenting the same did not give proof that he had been authorized by the candidate. As the withdrawal form had been presented by a proposer, the Assistant Returning Officer could not ask the proposer to produce a written authority on behalf of the candidate. All that he could demand in such a case was the satisfaction that the notice was genuine and that the person presenting was the proposer. Neither from the statement of Shri Aggarwal nor from the documents Exs. P. 7/A and P.W. 35/A it emerges out that the returning officer had demanded satisfaction on any one of these two points. In fact Shri Aggarwal only wanted a writing duly signed by the candidate showing that Ramnij Das had been authorized to present the notice of withdrawal. This demand was not warranted by law, as Shri Ramnij Das was a proposer and could present the notice of withdrawal without any accompanying letter of authority. Taking this view of the matter I hold that Shri Aggarwal had illegally returned the notice of withdrawal and had improperly dis-allowed Shri Manohar Lal to withdraw. In fact having received Ex. P. 11 Shri Aggarwal could not have permitted Shri Ramnij Das to take it back, as it had been properly presented, and having been presented could not have been withdrawn.

8. The next question is as to what is the effect of this improper refusal to accept the withdrawal of Shri Manohar Lal. Manohar Lal had secured 7269 votes. Firstly, it is difficult to hold that all these votes would have gone to the petitioner in case Manohar Lal's withdrawal had been accepted, even considering that they belonged to the congress party and Manohar Lal was covering candidate of the petitioner. The psychological make up of the voters in the elections based on adult suffrage is so complex that his ultimate reaction is unpredictable. So many considerations weigh with the elector that it is difficult to say that in this case one particular consideration alone would have guided him to vote for a particular candidate. It is, therefore, not possible to hold that all the votes polled by Shri Manohar Lal would have been received by the petitioner.

9. Secondly, even if the petitioner had received all these votes, the result of the election would not have been materially affected because the total of the votes polled by the petitioner and Shri Manohar Lal is less than the votes polled by the successful candidates; the total of the votes of the petitioner and Manohar Lal being 101032, while the votes secured by Shri Yudhbir Singh are 105027. I, therefore, find this issue against the petitioner.

Additional issue:

10. The allegations covered by this issue are contained in paragraph 3(a)(i) to 5(a) (iv) of the petition. It is stated that the nomination papers of Sarvashri Devi Parsan respd. 2, Paramjit Kumar respd. 4, Bhartu respd. 6 and Sudhan respondent 7 had been wrongly accepted by the returning officer and that the acceptance of the nomination papers of these candidates was a non-compliance of the provisions of Law relating to qualification and disqualification and this non-compliance has materially affected the result of the election of the returned candidate. No arguments were, however, addressed regarding the acceptance of the nomination papers of Sarvashri Paramjit Kumar and Bhartu, and the petitioner's case is only confined to the acceptance of the nomination papers of Sarvashri Devi Parsan and Sudhan.

11. The acceptance of the nomination paper of Shri Devi Parsan is challenged on the ground that he was a lower division clerk in the office of Government of India on the date of his nomination and was, therefore, not qualified to be nominated. In this respect there is the evidence of A.W. 1 Shri M. P. Chopra, Assistant Settlement Commissioner. His statement is that Devi Parsan respondent was working as a lower division clerk in the District Rent and Managing Office at Rohtak in 1961 and that his services were terminated in October, 1961, by the order of the Regional Settlement Commissioner. Devi Parsan was allowed four months' terminal leave, which expired on 28th February 1962 and he received his pay till that time. He further stated that Devi Parsan remained a temporary employee and that till the date his services were terminated he had not been confirmed. In November, 1961 proceedings were started for granting Devi Parsan quasi-permanent status, but he did not fulfil the conditions which were required to be fulfilled. He further stated that in January 1962 Devi Parsan was erroneously granted quasi-permanent status, as before that date his services had been terminated. His evidence further shows that on 15th December 1961 it was ordered that in case it was found that by issuing a quasi-permanent certificate, Devi Parsan could be retained in service such a declaration may be given. He further proved a letter Ex. P. 4 showing that Devi Parsan was recalled and was directed to be put on duty before 3rd January 1962, provided his terminal leave had not expired. As the terminal leave of Devi Parsan had not expired, he could join duty and could be made quasi-permanent after he joined duty. Shri Chopra further deposed that from Devi Parsan's service book it appeared that he did not join duty after the receipt of this letter and that Devi Parsan was re-appointed in April, 1962. He proved Ex. P. 6, which was the appointment order by which Devi Parsan had been appointed second time. Shri Chopra, however, stated that at the time of his second employment, Devi Parsan had been directed to come through the employment exchange and had not been appointed directly on the basis of his application.

12. On the basis of the above statement it is argued on behalf of the petitioner that as quasi-permanent status had been conferred on Devi Parsan in January 1962 and as he drew pay till 28th February 1962 he should be considered to be in the service of the Central Government at the time of filing of his nomination papers and at the time of the election. According to Article 102 of the Constitution of India a person is disqualified for being chosen a member of either house of Parliament if he holds any office of profit under the Government of India or the Government of any State. This disqualification has to be in force at the time a person is to be chosen and not earlier. If prior to the time of the election a person ceased to hold any office of profit he cannot be disqualified on that account. The question,

therefore, is whether Devi Parsan was holding any office of profit under the Government of India at the time he filed his nomination paper. No doubt it had been decided by Ex. P. 3 to grant quasi-permanent status to Sh. Devi Parsan, but because he did not join as directed in Ex. P. 4, this status could not be conferred on him. The fact that he drew pay till 28th February 1962 is also of no consequence, because this was only given to him as terminal benefit in lieu of the earned leave which was due to him at the time of retrenchment. Shri Chopra in this respect has stated that terminal leave was only granted as a terminal benefit. This did not have any effect on his status. This is further clear from Ex. P. 5 and Ex. P. 6. By Ex. P. 5 he had applied to be again absorbed on the ground that he was a quasi-permanent clerk. This position was not accepted because by Ex. P. 6 he was given a temporary appointment with effect from 6th June, 1962. If he had been a quasi-permanent official, he could not have been given temporary appointment again and would not have been directed to apply through the Employment Exchange as is the statement of Shri Chopra. No doubt Devi Parsan received pay from the Government for the months of January and February, 1962, but he was not holding any office at that time and this was only given as a benefit to him for not having taken earned leave during the period of his service. In my opinion, the expression "holds an office of profit" means that at the time of election he must be in office and not merely be enjoying certain benefits from the office, which he had earlier held. Considering the statement of Shri Chopra that service of Shri Devi Parsan had been terminated in October, 1961, and considering his status on his re-appointment, I hold that the nomination paper of Shri Devi Parsan was rightly accepted.

13. Even if for the sake of arguments it be considered that the nomination paper of Sh. Devi Parsan was improperly accepted, it has still to be established that this wrong acceptance had materially affected the result of the election before the petitioner can succeed. Devi Parsan had polled 32039 votes. These votes are more than the difference between the votes of the petitioner and the successful candidate Shri Yudhbir Singh.

14. In order to show that the petitioner would have secured majority of these votes he produced A. W. 32 Chandgi of village Badala, A. W. 33 Charanji Lal of village Kalla, A. W. 34 Sukh Lal of village Baund, A. W. 36 Sh. Bhim Sen of village Dharu Heru, A. W. 37 Banwari Lal of village Amravat and A. W. 38 Niranjan Lal of village Pur, who all deposed that if Shri Devi Parsan had not contested the election, all or 90 per cent of votes of their village would have gone to the petitioner, who was a congress candidate. They also stated that Devi Parsan had secured votes from their village on the ground that he was a Brahmin and that previously electors from their villages had been voting for the congress candidate. Some of them also stated that for the Assembly seat they had voted for the congress candidate. These witnesses had however admitted that they actually did not know which person had voted for which candidate as the ballot was secret. It is, therefore, difficult to accept *mere ipse dixit* of these witnesses that in fact majority of votes would have been received by the petitioner, if Devi Parsan was not a candidate.

15. The respondent also produced R. W. 12 Jagdish Rai of village Basa, R. W. 13 Ujagar of village Mundhal Kalan and R. W. 14 Ram Kumar of village Baupara. Jagdish Rai has stated that no meeting of Brahmins was held in his village to decide as to for whom the Brahmins should vote. To the same effect is the statement of Ujagar and Ram Kumar. Jagdish Rai has further deposed that if Devi Parsan had not contested the election, the votes polled by him would have gone in favour of Sh. Yudhbir Singh respondent. The bare statements of these witnesses also cannot be accepted, as it is nothing more than an opinion which may or may not be correct. The petitioner in his own statement had to admit that it was only his impression based on election results, that Devi Parsan had got votes on account of his being a Brahmin. The evidence on this part of the case, therefore, is exceedingly general and apart from the evidence by the witnesses who came forward as to their opinion, there is nothing definite about it. It is neither possible nor permissible to come to a conclusion that the wasted votes would have gone to the petitioner on the basis of mere impression or opinion. The entire evidence, which has been brought on the record regarding this part of the case is not decisive of the matter in view of the test laid down by Their Lordships of the Supreme Court in the case of Vashist Narain Sharma Vs. Devi Chand reported in 10 E.L.R. 30. In this case the Supreme Court had to consider a somewhat identical situation. One of the candidates stood disqualified under the Representation of the People Act. In dealing with the matter Their Lordships observed as follows:—

"Before an election can be declared to be wholly void under section 100(1)(c), the Tribunal must find that 'the result of the election has been materially affected.' These words have been the subject of much

controversy before the Election Tribunals and it is agreed that the opinions expressed have not always been uniform or consistent. These words seem to us to indicate that the result should not be judged by the mere increase or decrease in the total number of votes secured by the returned candidate but by proof of the fact that the wasted votes would have been distributed in such a manner between the contesting candidates as would have brought about the defeat of the returned candidate."

"We are not prepared to hold that the mere fact that the wasted votes are greater than the margin of votes between the returned candidate and the candidate securing the next highest number of votes must lead to the necessary inference that the result of the election has been materially affected. That is a matter which has to be proved and the onus of proving it lies upon the petitioner. It will not do merely to say that all or a majority of the wasted votes might have gone to next highest candidate."

16. From these observations it is, therefore, clear that a mere general probability was not all that was required but some actuality had to be established. General evidence of a likelihood as has been led in this case is no decisive of the matter u/s 100 of the Act and a party, who wishes to get an election set aside, has to establish that the result of the poll had in fact been materially affected by the improper acceptance of a nomination paper. To do this, it has to be demonstrated and proved that the votes would have been divided in such a way that the returned candidate would not have secured the majority of votes. Their Lordships of the Supreme Court have no doubt considered the difficulty of establishing such a result by concrete and positive evidence, but have further stated that the matter could only be rectified by the Legislature and not by the Courts. The onus that has been placed on the contending party is insuperable and incapable of being discharged, but that again is not a matter to be considered by this Tribunal. Applying the law laid down in this ruling to the facts of the present case, I hold that the evidence produced is not sufficient to discharge the onus, which was on the petitioner—Shri Ram Kishan. The result, therefore, is that even if Devi Parsan be said to have been wrongly allowed to contest the election, the result of the poll must be said, on evidence, not to have been materially affected. On behalf of the petitioner reliance was placed on *Yamuna Prasad Vs. Jagdish Prasad Khare and others*, reported in 13 E.L.R. page 1. In this case the successful candidate 'A' had secured 1398 votes, while the next candidate 'B' had got 1337 votes and the next candidate 'C' had got 997 votes. It was found that the nomination paper of 'B' had been wrongly accepted and that 'B' and 'C' had been put up by the same political party. There was also evidence to show that if B's nomination paper had been rejected at the time of scrutiny, that party would have set up C. Some witnesses further gave evidence that all the votes cast by B would have been secured by C if B's nomination paper had been rejected. The Tribunal held that the evidence was sufficient for coming to a finding that the result of the election was materially affected by the improper acceptance of B's nomination. In coming to this conclusion the Tribunal had distinguished the case of *Vashist Narain Sharma*. The matter was taken up in appeal to the Supreme Court, but as the Assembly had ceased to exist and neither of the parties appeared before the Court, the Supreme Court dismissed the appeal without deciding the point involved. It is not necessary for me to consider whether the decision in the cited case is in accordance with *Vashist Narain Sharma's* case or not, because I find that this case was decided on its peculiar facts, which are not parallel to the facts of the instant case. *Devi Parsan* had not been set up by the Congress Party and it is, therefore, not possible to hold that the votes secured by him would have gone to the Congress candidate merely, because in the election to the Legislative Assembly more votes had been received by the Congress candidate than by *Shri Ram Kishan*. I, therefore, find that this authority does not help the petitioner, and that the petitioner has failed to establish that the result of the election of the returned candidate had been materially affected by the acceptance of *Devi Parsan's* nomination paper, even if the acceptance be considered to be improper.

17. Lastly I come to the case of *Shri Sudhan*. The petitioner's case is that the nomination paper Ex. P. 9/D of *Shri Sudhan* had been improperly accepted, because it did not comply with the provisions of Section 33 of the Act and that the other two nomination papers Exs. P. 9/B and P. 9/C had been wrongly accepted, because they did not bear the signatures of *Sudhan*, but the name of *Shri Sudhan* had been put by somebody else on these nomination papers. The evidence was led to show that the signatures on these two nomination papers did not tally with the accepted signatures of *Sudhan*. It is not necessary for me to

go into this evidence, as I find that the nomination paper Ex. P. 9/D had been rightly accepted. The only defect pointed out in this nomination paper is that in column No. 2, which relates to the electoral roll number of the proposer, only the number is mentioned and not the part of the electoral roll in which the name of the proposer stands. On account of the omission of the serial number of the part of the electoral roll in which the entry of the name of the proposer exists, it is argued that the form was not in accordance with Section 33 of the Act and should not have been accepted. Section 33 provides that the nomination paper should be completed in the prescribed form, which form is 2-A and of which the relevant portion reads thus:—

“FORM 2A

NOMINATION PAPER

(See rule 4)

Election to the House of the People

(To be filled by the proposer)

I hereby nominate.....as a candidate for election from the.....Parliamentary Constituency.

1. Full name of proposer.....
2. *Electoral roll number of proposer.....
3. Name of candidate's father/husband.....
4. Full postal address of candidate.....
5. *Electoral roll number of candidate.....

Date.....

Signature of proposer.

*Here insert—

- (i) the name of the parliamentary constituency;
- (ii) the name of the component assembly or electoral college constituency in the electoral rolls of which the name of the proposer or the candidate as the case may be, has been entered;
- (iii) the serial number of the part of the electoral roll in which such entry occurs; and
- (iv) the serial number of the entry in that part.

It is admitted on behalf of the first respondent that the nomination paper Ex. P. 9/D does not contain the serial number of the part of the electoral roll in which the entry of the name of the proposer occurs. It is, however, argued that the defect is not fatal to the acceptance of the nomination paper as it is not of a substantial character. This view emerges out from the provisions of Section 36(2) (b) read with Sections 36(4) and 33(4) of the Act. According to these provisions the returning officer may reject any nomination paper on the ground that there has been a failure to comply with any of the provisions of Section 33 or Section 34, but he shall not reject any nomination paper on the ground of any defect which is not of a substantial character. No doubt according to Section 33 of the Act the form has to be duly completed but the failure to enter the serial number of the part is not a defect, which in my opinion is of a substantial character, especially when the number can be identified with reference to the electoral roll. In this respect it may also be stated that no evidence has been led in this case that the electoral roll was in more than one parts. Neither the electoral roll has been got produced and proved, nor is there the statement of any witness to show that the electoral roll is in more than one parts. Leaving this apart, even if it be assumed that the electoral roll is in more than one parts, the omission to mention the serial number of the part is not fatal. Moreover, proviso to Section 33(4) lays down that it is the duty of the Returning Officer to permit any clerical or technical error in the nomination paper in regard to the names and electoral roll numbers of the candidate and his proposers to be corrected in order to bring them in conformity with the corresponding entries in the electoral roll. The imposition of such a duty leads to the inference that such a defect is not of

substantial nature. In this view I am fortified by the following observations made by the Hon'ble Supreme Court in *Karnail Singh Vs. Election Tribunal, Hissar* and others, reported in 10 E.L.R. 189—

“Where the name of the part of the electoral roll in which the name of the candidate appeared was not filled up against column No. 8 of the nomination paper, but there was no difficulty in identifying the candidate, and the entry of his name in the roll was pointed out to the Returning Officer, but the nomination was rejected by him on the ground that the nomination form had not been duly filled up:

Held, affirming the decision of the majority of the Tribunal, that the defect was only a technical defect not of a substantial character and the nomination was improperly rejected”

Applying the above observations to the facts of the present case, I find that the nomination paper of Shri Sudhan was rightly accepted, as it did not suffer from any defect of substantial character. There is no evidence on the record that there was any difficulty in identifying the proposer or the entry of his name in the electoral roll. Some authorities to the contrary have been cited on behalf of the petitioner, but in view of the above observations of Hon'ble Supreme Court, these authorities cannot be considered to be laying down correct law. Leaving this apart, there is no reliable evidence in this case to lead to the conclusion that if Sudhan's nomination papers had been rejected, the majority of votes polled in his favour would have gone to the petitioner.

18. For the foregoing reasons I also decide this issue against the petitioner.

19. Relief—It having been held that failure to allow Manohar Lal to withdraw had not materially affected the result and that nomination papers of Devi Parsan and Sudhan had been rightly accepted, the petitioner is not entitled to any relief.

20. The election petition therefore fails and is dismissed with costs to be paid to respondent No 1. Respondent No 2 will bear his own costs. Coming to the amount of costs, considering the time that has taken and the volume of evidence led, I assess the costs at Rs. 500/-. Respondent No 1 will be entitled to recover this amount from the petitioner. Announced in open Court.

(Department of Agriculture)

New Delhi, the 25th March 1964

S.O. 1140.—In exercise of the powers conferred by section 3 of the Agricultural Produce (Grading and Marking) Act, 1937, the Central Government hereby makes the following rules, the same having been previously published as required by the said section, namely:—

THE PULSES GRADING AND MARKING RULES, 1964

1. **Short Title and Application.**—(1) These Rules may be called the Pulses Grading and Marking Rules, 1964.

(2) They shall apply to pulses produced in India, both in whole and split form.

2. **Definitions.**—In these rules,—

(a) “Agricultural Marketing Adviser” means the Agricultural Marketing Adviser to the Government of India.

(b) “Schedule” means a Schedule appended to these rules.

3. **Grade Designation.**—The grade designations to indicate the quality of the pulses shall be as set out in column 1 of Schedules II to VI.

4. **Definition of quality.**—The quality indicated by the grade designations shall be as set out against each grade designation in Schedules II to VI.

5. **Grade designation mark.**—The grade designation mark shall consist of a label specifying the grade designation and bearing a design (consisting of an outline map of India with the word ‘Agmark’ and the figure of the rising sun, with the words ‘Produce of India’ and ‘भारतीय उत्पात’ resembling the one as set out in Schedule I.

6. **Method of Marking.**—(1) The grade designation mark shall be securely affixed to each container in a manner approved by the Agricultural Marketing Adviser.

(2) In addition to the grade designation mark, each container shall be clearly marked with such particulars and in such a manner as may be specified by the Agricultural Marketing Adviser.

(3) An authorised packer, after obtaining the prior approval of the Agricultural Marketing Adviser may mark his private trade mark on a container in a manner approved by the said officer, provided that the private trade mark does not represent quality or grade of pulses, whole or split, different from that indicated by the grade designation mark affixed to the container in accordance with these rules.

7. Method of Packing.—(1) Only sound, clean and dry containers made of jute, cotton, paper or polythene shall be used for packing. They shall be free from any insect infestation or fungus contamination and free from any undesirable smell.

(2) The container shall be securely closed and sealed in a manner approved by the Agricultural Marketing Adviser.

(3) Each package shall contain pulses of one grade designation only.

8. Special conditions for Certificate of Authorisation.—In addition to the conditions specified in rule 4 of the General Grading and Marking Rules, 1937, the following shall be the conditions of every Certificate of Authorisation issued for the purpose of these rules, namely:—

- (i) An authorised packer shall make such arrangements for testing pulses, as may be prescribed, and samples thereof shall be forwarded to such control laboratories as may be specified from time to time by the Agricultural Marketing Adviser.
- (ii) An authorised packer shall provide all facilities to the Inspecting Officers duly authorised by the Agricultural Marketing Adviser, for sampling, testing and such other matters, as may be specified by the Agricultural Marketing Adviser.

S.O. 1151.—Dr. K. N. Udupa, F.R.C.S. (C), F.R.C.S., Principal College of Medical Sciences, Varanasi, having been elected as a member of the Medical Council of India under clause (b) of sub-section (1) of section 3 of the Indian Medical Council Act, 1956 (102 of 1956), the Central Government hereby makes the following amendment in the notification of the Government of India in the Ministry of Health No. F. 5-13/59-MI, dated the 9th January, 1960, namely:—

In the said notification, under the heading "Elected under clause (b) of sub-section (1) of section 3", after serial No. 25 and the entry relating thereto, the following serial and entry shall be inserted, namely:—

"26. Dr. K. N. Udupa,
F.R.C.S.(C) F.R.C.S.,
Principal, College of Medical Sciences,
Varanasi".

[No. F. 32-2/63-MPT.]

New Delhi, the 28th March 1964

S.O. 1152.—Whereas the Indian Nursing Council has, by a resolution passed at its meeting held on the 2nd May, 1963, made a declaration in pursuance of sub-section (2) of section 10 of the Indian Nursing Council Act, 1947 to the effect that a certificate granted by the Medical and Surgical School, Goa, in general nursing and midwifery, when granted before the 30th day of April, 1963, shall be a recognised qualification for the purposes of the said Act;

Now, therefore, in pursuance of the provisions of sub-section (2) of section 13 of the Indian Nursing Council Act, 1947 (48 of 1947) the Central Government hereby makes the following further amendment in the Schedule to the said Act so as to

bring it in accord with the said declaration under section 10, namely:—

In part I—

(i) under the heading “A-General Nursing” after entry 35, the following entry shall be inserted, namely:—

“36. Medical and Surgical School, Goa (when granted before the 30th day of April, 1963)”;

(ii) under the head “B-Midwifery,” after entry 12, the following shall be inserted, namely:

“13. Medical and Surgical School, Goa (when granted before the 30th day of April, 1963)”.

[No. F. 27-29/62-MPT.]

S.O. 1153.—Whereas the Indian Nursing Council has by a resolution passed at its meeting held on the 2nd May, 1963, made a declaration in pursuance of the provisions of sub-section (2) of section 10 of the Indian Nursing Council Act, 1947 (48 of 1947), that the certificate granted by the Medical and Surgical School, Goa, in General Nursing and Midwifery when granted before the 30th day of April, 1963, shall be a recognised qualification for the purposes of the Act;

Now, therefore, in pursuance of the provisions of sub-section (1) of section 15 of the Indian Nursing Council Act, 1947, the Central Government hereby publishes the said declaration, namely:—

Whereas the Medical and Surgical School, Goa being an authority recognised by the Government of Goa for the purpose of granting qualifications in general nursing and midwifery has applied to the Indian Nursing Council constituted under the Indian Nursing Council Act, 1947 (XLVIII of 1947) that the certificate granted by the Medical and Surgical School, Goa in General Nursing and Midwifery be recognised for the purpose of the said Act:

Now, the Council, at its meeting held on 2nd May, 1963 for the said purpose, resolved that the aforesaid qualifications when granted before the 30th day of April, 1963 shall be recognised qualifications for the purpose of the said Act.

Dhanbad, dated the 9th January 1964

AWARD

Ministry of Labour & Employment, Government of India, by its Order No. 2/47/62-LR. II dated the 17th October, 1962, referred, under Section 10(1)(d) of the Industrial Disputes Act, 1947, (hereinafter referred to as the Act), an industrial dispute existing between the employers in relation to the Lakurka Colliery and their workmen in respect of the matters specified below, to this Tribunal for Adjudication:

SCHEDULE

- (i) Whether the miners and loaders of Pit Nos. 1 and 3 of the Lakurka Colliery are entitled to lay-off wages for the period from the 29th May, 1961 to the 11th June, 1961?
- (ii) Whether the management of Lakurka Colliery were justified in reducing the emoluments of the undermentioned workmen from the month of May, 1958? If not, to what relief are the workmen entitled?
 1. Shri Kashim Miah.
 2. Shri B. Ram
 3. Shri L. N. Choudhury
 4. Shri R. P. Ojha
 5. Shri J. Kumar
 6. Shri Sheodhari Singh
 7. Shri Bishu Barhi.
 8. Shri Ahmed Hossain
 9. Shri N. C. Ghosal
 10. Shri M. D. Upadhya
 11. Shri Jagendra N. Rajwar
 12. Shri Parmeswar Singh
 13. Shri R. D. Dubey
 14. Shri Parmeswar Lalla
 15. Shri P. N. Singh.
- (iii) Whether Shrimati Anjali Dutta of the Lakurka Colliery, who has been given the pay scale of a Dai under the Coal Award is entitled to the pay scale applicable to Midwife? If so, from what date?

2. The workmen through their Union, Colliery Mazdoor Sangh, file their written statement on 27th December, 1962.

The employers also on 28th February, 1963 filed their written statement. Later, the workmen filed a rejoinder to the written statement of the employers on 29th March, 1963.

The case of the parties on the three items of disputes will be mentioned while deciding these questions.

3. Unfortunately, the management, on some excuse or other, has been prolonging this dispute and taking time after time, as will appear from the following facts: The reference was received by this Tribunal on 22nd October, 1962, and, the case was fixed for hearing on 17th October, 1963. The company on 17th October, 1963 filed a petition praying for an adjournment to some other date on the ground that the Chief Mining Engineer who was looking after this case, was ill. The workmen were represented but on the above petition for time the case was adjourned to a future date. The case was then fixed for hearing on 6th January, 1964, but, earlier on 3rd January, 1964 a petition was again received from the management for adjournment of the case fixed on 6th January, 1964 to some other date after one month due to labour trouble in the colliery. As the case was over six months old I rejected the petition for time and the company was informed on the phone that no adjournment would be granted on the date fixed.

On 6th January, 1964 Sri J. R. Varma, Labour Officer of the Company, appeared and again applied for time due to labour trouble in the colliery. Sri S. Das Gupta, who appeared for the workman, seriously objected to time being granted because of previous adjournments and pressed for costs, if time was allowed. As a last chance I allowed time till 9th January, 1964 on payment of Rs. 50/- as cost to the workmen concerned payment of which was to be condition precedent to the appearance of the company on the next date fixed. With the consent of the parties, 9th January, 1964 was, therefore, fixed for the hearing of the case as that was the earliest date which was suitable to the company as represented by Sri Varma. In token of this adjournment Sri Varma signed on behalf of the management on the order sheet and Sri Das Gupta signed for the workmen concerned.

On 9th January, 1964 a petition was received from the company through a messenger praying that due to illegal strike in the colliery it was not possible to attend the Tribunal on 9th January, 1964 and therefore the case may be adjourned *sine die* till unrest is over in the colliery. I rejected this petition for time as it was obvious from the attitude of the management that it was not in a mood to appear before the Tribunal and get the case disposed of soon. Furthermore, adjournment *sine die* at the instance of a party was something unheard of and it could not possibly be granted to suit the alleged convenience of the management.

It further appears that even before the Conciliation Officer, as will appear from his Failure Report Exhibit W.4, the management did not turn up on the dates fixed for the meeting of the parties by the Conciliation Officer.

In these circumstances, the case was taken up for *ex-parte* hearing, as it was already more than one year and two months old and it was not known when the alleged unrest in the colliery would be over.

The cost awarded to the workmen was also not paid nor sent through the messenger along with the petition for time sent on 8th January, 1964 which was received by the Tribunal on 9th January, 1964.

4. Shri Das Gupta, Secretary, Colliery Mazdoor Sangh, appeared for the workmen concerned. He examined two witnesses, namely, Tejoo Mahato, W.W.1 and, R. P. Ojha, W. W. 2. The workmen also filed documents which were marked as Exhibits W. to W.4.

I will now take up the three items of dispute separately.

Re: Item (i):

5. On this question, the case of the workmen is that Pits Nos. 1 and 3 of the Colliery were closed by the company and the miners working in these two pits, who were 150 or 175 in number, were laid off and were asked to work in 14 Seam quarry under contractors, which the workmen concerned refused as there were not sufficient working places even for all the miners who were working there, and even these contractors' workers, already working in the quarry, had never been able to earn their minimum guaranteed wages.

The case of the management, however, was that the miners of Pits Nos. 1 and 3 were not entitled to any lay-off wages for the period 29th May, 1961 to 11th June, 1961 as these miners were given alternative jobs in the quarry which they refused.

It would appear from Exhibit W 2, the letter of Regional Labour Commissioner (Central), Implementation, Dhanbad, sent on 12th January, 1962 to the Secretary, Colliery Mazdoor Sangh, as also from the Failure of Conciliation Report dated 4th May, 1962, Exhibit W.4, as well as from the written statement of the employers, that the fact that the miners working in Pit Nos. 1 and 3 were laid-off, because these two pits in the Colliery were closed, is admitted, but the defence of the employers is that they were offered alternative employments in 14 Seam quarry but they refused.

The witness examined for the workmen, W.W.1, a miner, who has been working for the last 13 or 14 years at the Lakurka Colliery, has given reasons supporting the workmen as to why the miners refused the alternate job because it was not an equivalent job having the same facilities and emoluments. W.W.1 has stated that the workers requested the management to send the Overman, Munshi, and other supervisory staff, under whom they were prepared to work provided they were given the minimum earnings of a miner. But the Manager did not agree and, therefore, the miners were not provided with any other work nor their attendance was marked for the period.

On this uncontroverted evidence of W.W.1 there is no doubt that the alternative job offered to the miners, who were laid-off, was not a suitable job and there was no prospect of giving the miners even their minimum guaranteed wages in the alternative job offered and, therefore, certainly they were justified in refusing this unsuitable alternative job.

For the reasons given above, I would, therefore, hold that the miners and leaders of Pits Nos. 1 and 3 of the Lakurka Colliery are entitled to lay-off wages for the period from 29th May, 1961 to 11th June, 1961.

Re: Item No. (ii):

6. On this question of alleged deduction in the rate of wages of the 15 monthly paid employees, mentioned in the reference, from May, 1958, the case of the management was that these workmen on monthly payments were paid higher rates of wages for 3 or 4 months and after the mistake was detected they rectified this mistake and, therefore, there was no question of any deduction in the emoluments of these monthly paid employees.

The case of the workmen, however, was that these workmen were paid increased wages correctly, but arbitrarily since May 1958 their wages had been reduced to the extent mentioned in Exhibit W.4 Failure Report of Conciliation Officer and also in the Chart, filed by the workmen showing the reduced rates and the rates which they ought to have got in May, 1958—Exhibit W. On the above question the workmen examined the Register Keeper of the Colliery Shri R. P. Ojha, W.W.2. He stated that the dates of appointment mentioned against the 15 workers mentioned in the references and in Exhibit W. were correct and that some increments were given to them in February, 1958 but that was discontinued from May, 1958 and they got increments according to the Coal Award only for three months. He further stated that workers Nos. 7 and 8, namely, Bishu Barhi and Ahmed Hussain, who were not monthly paid staff but were daily rated workers and there is no grade under the Coal Award for them, were given a special increment of Rs. 10/- or Rs. 11/- per month in view of the fact that their income prior to the Coal Award of 1956 was higher. But this increment also was disallowed to them from May, 1958. He further stated that there was a strike in the Colliery in 1949, which lasted for about 3½ months, but none of the persons concerned in this item of dispute tendered resignation at that time nor did they either receive any fresh letter of appointment.

On this item of dispute also, therefore, there is uncontroverted evidence of W.W.2 and there is no evidence that the rates of wages were paid by the company for three or four months under some mistake and, that when the mistake was detected it was rectified.

Sri Das Gupta relied on page 316 of the decision of Labour Appellate Tribunal dated 29th January, 1957 which came into effect on 26th May, 1956 in which the directions were given for adjustments into new scales. Para 316 (2) lays down that after adjustment in the manner indicated in para (1) the workman shall be given one increment for every four completed years of service subject to the maximum of three increments, provided the two contingencies mentioned in

clauses (a) and (b) of sub-para (2) of Para 316 were satisfied. Sri Das Gupta said that these instructions were ignored and these workers were not given increment in the manner indicated above.

As there is no evidence on behalf of the management in justification of its reducing the emoluments of the 15 workmen, mentioned in Item 2 of the dispute, from the month of May 1958, I must hold that the management had no justification in reducing the emoluments of these workmen from the month of May, 1958 as indicated in Ext. W. and also in Ext. W.4.

I would, therefore, hold that these 15 workmen are entitled to their salaries or wages as the case may be at the rate mentioned in Ext. W, which were the total basic wages which were payable in May 1958, and, since then each of the 15 workmen concerned is entitled to his wages at these rates which were mentioned in column 6 of Exhibit W. and the reductions shown in the 7th column of Exhibit W. are uncalled for and unjustified.

Re: Item No. (iii):

7. The case of the management regarding the claim of Smt. Anjali Dutta is that she was being paid the pay scale of a Dai under the Coal Award and, therefore, there was no justification for changing the same at this stage. The case of the workmen, however, is that Shrimati Anjali Dutta was a mid-wife and appointed as such, as will appear from her appointment letter, Exhibit W.1, from 3rd March, 1954 on a monthly basic salary of Rs. 20/- and as such she was entitled to be given the pay scale applicable to a mid-wife. W.W.2 has also stated that she was a mid-wife and when the award of 1956 was implemented her designation was changed to Trained Dai. There is nothing to contradict this evidence. I, therefore, hold that Shrimati Anjali Devi of the Colliery is entitled to the pay scale applicable to a mid-wife from 26th May, 1956, as the date from when the Coal Award came into effect.

8. It appears from Exhibit W. that the workman Sri Kasim Mian, Workshop Head Fitter, a monthly paid worker expired on 2nd April, 1963, and, therefore, his emoluments, which may be due to him, according to this Award which I am giving, and which he would have got had he been alive, will be paid now to his heirs and legal representatives on their making a proper application.

9. It may further be mentioned that Bishu Barhi Serial No. 7 and Ahmad Hussain Serial No. 8 in Exhibit W. and also in Item No. 2 of dispute under reference, both of whom are Turners, are not monthly rated workers but they are daily rated workers, but as they got lump sum as increment because they were already getting much more than what was fixed by the Coal Award, their names are also mentioned in Exhibit W. under monthly rated workers. I, therefore, direct, as mentioned earlier also, that they will get what was payable to them in May 1958 and as shown in Exhibit W.

10. I therefore, answer the reference, in the manner indicated above, in favour of the workmen concerned, in the absence of any evidence to the contrary on behalf of the management.

11. As the attitude of the management in this case has been most non-co-operative, obstructive and unhelpful, I direct the management to pay a sum of Rs. 200/- as costs of this case to the workmen concerned. The management will further pay Rs. 50/-, the cost which was awarded to the workmen concerned.

12. This award must be implemented within one month from the date when it becomes enforceable after its publication under Section 17 of the Act.

13. This is the award which I make and submit to the Government of India under Section 15 of the Act.

M/s. Tata Iron and Steel Co. Ltd., Jamadoba. P.O. Jealgora, Dt. Dhanbad—*Opposite party.*

PRESENT:

Shri Raj Kishore Prasad, M.A., B.L., Presiding Officer.

APPEARANCES:

For the Complainant: Shri P. Chanda President, Tata Collieries Workers' Union.

For the Opposite Party: Sri S. N. Singh, Legal Assistant, with Sri N. Sen, Welfare Officer.

STATE: Bihar.

INDUSTRY: Coal.

Camp: Patna, dated the 24th January, 1964

AWARD

This is a complaint, under Section 33A of the Industrial Disputes Act, 1947, made by the workman, Rabia Hari, Sweeper, Digwadih Colliery, on 6th April 1963 against the management opposite party, in References Nos. 45, 56, 65 and 84 of 1961, complaining against his dismissal from the company's service with effect from 15th January 1962 for misconduct punishable under Para 19(2) of the Standing Orders for having booked his attendance on 21st April 1962 and 27th April 1962 in the Office of the Welfare Officer but not having gone to his place of work.

2. The management opposite party filed its written statement on 16th May 1963 in which in para 6 an objection was taken that the complainant was not concerned in any of the references mentioned above and, therefore, the complaint was not maintainable and it was further stated that earlier the management filed an application under the Proviso to Sub-section 2(b) of Section 33 of the Act—Application No. 93 of 1962—for approval under misconception, but for the above reasons it was subsequently withdrawn as it was not maintainable.

3. This complaint was fixed for hearing at the request of the parties, at Patna on 24th January 1964, on which date the management was represented by Sarvasree S. N. Singh and N. Sen, and, the Complainant was represented by Sri P. Chanda, representing the Tata Collieries Workers' Union, Digwadih, which represented the complainant concerned. None of the parties examined any witness but the management filed documents which, with mutual consent, were taken in evidence and marked Exhibits M. to M. 9.

4. The management pressed its preliminary objection to the maintainability of the complaint on the ground that the complainant was not a workman concerned in any of the four references mentioned above and as such there was no contravention of Section 33 of the Act so as to entitle the complainant to make the complaint under Section 33A of the Act. In support of its case, the management filed the awards of the four references mentioned above, along with copies of the notifications sent by the Ministry of Labour & Employment, Government of India, to the management. These documents were marked Exhibits M. to M. 7.

5. I will, therefore, address myself first to the determination of the preliminary objection and if it is upheld the complaint will be dismissed on this preliminary

ground alone and then the question of determination of the complaint on its merits will not arise.

6. In the instant case, the complainant, Rabia Hari, is a sweeper in Digwadih Colliery belonging to Tata Iron and Steel Company Ltd., Jamadoba and the question is whether his dismissal was justified and legal.

REFERENCE No. 45 of 1961

Reference No. 45 of 1961, as will appear from its Award dated 26th September 1962 Exhibit M. 3, the dispute was between the employers in relation to the management of Digwadih Colliery was justified, and if not, to what relief he is entitled?"

the award Exhibit M. 3 that Jagdish Singh was Underground Colliery but subsequently he was dismissed. The question under consideration in the said reference was whether his dismissal was justified.

REFERENCE No. 56 of 1961.

3. In Reference No. 56 of 1961, as will appear from its award dated 3rd August, 1962 Exhibit M. 1, the dispute was between employers in relation to the Digwadih Colliery and their workmen in respect of the following matter:

"(1) Whether the management was justified in terminating the services of Jaldar Singh.

If not, to what relief is he entitled?"

It appears from the award, Exhibit M. 1, that this Reference was concerning the termination of the services of one Jaldar Singh, by the management of Digwadih Colliery where he was working as a substitute as a stone cutter against temporary jobs, as and when required.

REFERENCE No. 65 of 1961

9. In Reference No. 65 of 1961, as will appear from its award dated 9th November 1962 (Exhibit M. 7), the dispute was between the employers in relation to Digwadih Colliery and their workmen in respect of the dispute specified below:

"Whether the dismissal of Shri Ganesh Mahato by the management of Digwadih Colliery was justified, and, if not to what relief he is entitled?"

It appears from the award Exhibit M. 7 that in this reference the question was whether the dismissal of Sri Ganesh Mahato, Miner of Digwadih Colliery, was justified.

REFERENCE No. 84 of 1961

10. In Reference No. 84 of 1961, which on being transferred to Sri H. K. Choudhuri, Presiding Officer, Industrial Tribunal, Patna, as Presiding Officer, Central Govt. Industrial Tribunal, was registered as Reference No. 10 of 1962, as appears from his award dated 5th June 1962, Exhibit M. 5, there was a dispute between the employers in relation to Digwadih Colliery and their workmen in respect of the following matter:

"Was the management justified in terminating the services of the workmen, whose names are mentioned below. If not, to what relief are they entitled:

1. Shri Jahiruddin, 2. Sri Ramsarup, 3. Shri Kaileshwar Lall, 4. Sri Ramdin Pande, 5. Shri Ramaudh Upadhyaya, 6. Sri Bijoy Upadhyaya."

In the above reference, as appears from its award Ext. M. 5, the question was whether the services of the above named six workmen were terminated properly and whether their termination was justified. Out of the six workmen, three of them, namely Nos. 1, 4 and 5 were given employments by the management and, therefore, their cases were not pressed by the Union. The cases of the remaining three workmen, namely, Nos. 2, 3 and 6 were pressed and decided. These six workmen were also substitute workers.

11. Relying on the above four references, Sri S. N. Singh, on behalf of the management, contended that from the facts stated above it was manifest that the

complainant could not be considered to be a workman concerned in the dispute of any of the four aforesaid references, and as such the present complaint was not maintainable.

12. In reply, it was contended by Sri Chanda on behalf of the complainant workman, that because in all the four References the Colliery concerned was the same, namely, Digwadih Colliery, as is the case in the present case, and all the cases, including the present case, are cases of dismissal, and the same applies as is clear from Section 23(1) of the Act under which all the Colliery were under law prohibited from going on strike, therefore, concerned in the four references and in the present complaint was, and, further, because collectively dispute was taken up on behalf of the workmen concerned the decision in these cases affected all the workmen as such the complaint, in the instant case, must be considered to be concerned in the aforesaid four references.

13. I have considered carefully the contentions of the parties. In view of the several decisions of the Supreme Court I am unable to find any dispute pending in any of the four references was such that it concerned workmen or that in involved any principle which applied to all the workmen concerned, in that, in each of these four cases including the present case, it was an individual dispute and not a collective or representative dispute so as to bind all the workmen of the Colliery. The mere fact that in all these cases the concerned workman in each case belonged to the same Colliery, namely, Digwadih Colliery, further that those cases were concerned with dismissal of workmen, as is the case in the instant case, is also, in my opinion, no ground for holding that the complainant in the present case must be considered to be workman concerned in these references so as to make the awards therein binding on the complainant.

14. For the reasons given above, I, therefore, uphold the preliminary objection and hold that the complainant was not a workman concerned in the disputes in the aforesaid four references and as such there was no contravention of Section 33 of the Act which would entitle the complainant to make the present complaint under Section 33A of the Act, and, accordingly the present complaint is not maintainable, and, as such, it is dismissed as not maintainable.

15. This is the award which I make and submit to the Central Government under Section 15 of the Act.

Dhanbad, dated the 26th February 1964

AWARD

Ministry of Labour & Employment, Government of India. No. 2/44/
63-LRM dated the 10th September, 1963 referred an existing
between the employers in relation to the Digwadih Colliery Tata Iron
and Steel Co. Ltd., Jamadoba, and their workmen, under Section 10(1)(d) of the
Industrial Disputes Act 1947, for adjudication to the Tribunal, in respect of the
matter specified below:

Whether the non-payment of retirement gratuity by the management of the
Digwadih Colliery of Messrs. Tata Iron and Steel Company Limited to
Haru Gope, driller, is justified. If not, to what relief is he

In January 1964 a petition was filed signed by the Chief Mining En-
gineer saying that on further scrutiny of the records of the con-
cerned workman, it was transpired that the workman concerned Haru Gope, an
employee of the Digwadih Colliery, had not been dismissed or discharged from the Company's
employment due to any misconduct and that as the workman concerned had completed
10 years of service with the company, he was eligible to get Rs. 286.65 nP. as
retirement gratuity which the management was prepared to pay to the said Haru Gope before
the Tribunal.

3. That as Haru Gope, the workman concerned, is not present today in person
to receive this gratuity amount, I direct that the said amount of Rs. 286.65 nP.
should be paid to him within one month from today, when he should present him-
self before the management, after taking proper receipt from him which should be
filed before this Tribunal.

4. The reference, is therefore, disposed of by saying that non-payment of retire-
ment gratuity by the management to Haru Gope, Driller, was not justified and now
that position having been accepted by the management the concerned workman is
entitled to get Rs. 286.65 nP. from the management which he will get within one
month from today on being personally present before the management.

5. Sri S. N. Singh, for the management, wants it to be recorded that this award
will not affect other cases where the stand taken by the management is that the
workmen concerned in such cases have been dismissed for misconduct. It is obvious
that this award will govern only the present case and not any other case.

6. This is the award which I make and submit to the Government of India under
Section 15 of the Act.

AWARD

The Central Government, by the Ministry of Labour & Employment's Order No. 51(66)/63-LRIV dated 19th October 1963, made in exercise of the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act,

1947 (XIV of 1947) was pleased to refer the industrial dispute between the parties above named in respect of the subject matters specified in the following schedule to the said Order, for adjudication to me:

SCHEDULE

"Whether the demand of the workmen of the Allahabad Bank Limited, for payment of bonus at the rate of 16 2/3 per cent of the pay as drawn on the last day of the year 1962 is justified" If not, are the workmen entitled to get bonus at any rate higher than the rate proposed by the Allahabad Bank?"

After the Allahabad Bank Limited (hereinafter referred to as 'Bank') and the All India Bank Employees Federation and the All India Bank Employees Association and various Unions affiliated to them had filed their Written Statements, at the adjourned hearing of this dispute on 23rd March 1964, at Bombay, the parties filed a joint application recording the terms of settlement reached between them and prayed that an Award be made in terms thereof. A copy of the application is attached hereto and marked annexure 'A'.

2. Under the terms of this settlement, the Bank has agreed in respect of the year 1962, to pay bonus to its workmen at the rate of 13 per cent of the basic salary plus special allowance and officiating allowance, if any, actually drawn in terms of the Desai Award during that year. It has further agreed that all other conditions stipulated in General Manager's Circular Staff No. 197/23/1116, dated 2nd March 1963 will be deducted from the amount of bonus payable in terms of this settlement, provided however, that if any workman has received bonus in excess of what is settled herein, the Bank shall not recover such excess. The terms of settlement further record that the workmen agree to accept the said bonus in full and final settlement of their claims in this dispute, and that, in view of this, the Bank has voluntarily agreed to pay the amount of additional bonus out of goodwill and for promoting industrial peace.

3. In view of the facts and circumstances of the case, I am satisfied that this is a fair and reasonable settlement and I, therefore, make an Award in terms of this settlement as prayed by the parties.

4. The parties' application, dated 23rd March, 1964, copy of which is annexed hereto, shall form part of this Award.

5. No order as to costs.

S.O. 1184.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Bombay in the industrial dispute between the employers in relation to Messrs Wadi Bunder Kamgar Sahakari Society Limited, Bombay and their workmen which was received by the Central Government on the 25th March, 1964.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, BOMBAY

REFERENCE No. C.G.I.T. 50 of 1963

Employers in relation to M/s. Wadi Bunder Kamgar Sahakari Society Ltd.,

AND

Their Workmen.

PRESENT:

Shri Salim M. Merchant, Presiding Officer

APPEARANCES:

For the Employer—Shri S. G. Borker, Advocate, authorised by Shri K. R. Thorat, Chairman, Wadi Bunder Kamgar Sahakari Society, Bombay

For the Workmen—Shri M. P. Joshi, Assistant Secretary, Transport & Dock Workers Union, Bombay.

Dated at Bombay the 23rd day of March 1964.

INDUSTRY: Bagging and grain filling in the Docks.

STATE: Maharashtra.

AWARD

The Central Government by the Ministry of Labour and Employment's Order No. 28/33/63 LRIV dated 28th August 1963, made in exercise of the powers conferred by clause (d) of the sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), was pleased to refer the industrial dispute between the employers in the relation to Messrs Wadi Bunder Kamgar Sahakari Society Limited (hereinafter referred to as 'Society') and their workmen, for adjudication to me in respect of the subject matters specified in the following schedule to the said Order:

SCHEDULE

"Whether the workmen employed by Messrs. Wadi Bunder Kamgar Sahakari Society Ltd., Bombay are entitled to extra wages for carrying bags beyond a distance of 70 feet and for stacking big bags, that is to say, any bag weighing 65 kg. or more, above the height of 16 big bags, or for stacking small bags, that is to say, any bag weighing below 65 kg. above the height of 18 small bags; if so, what should be the quantum of such extra wages?"

After the reference was made, notices were issued inviting the written statements of the parties. The Transport and Dock Worker's Union, Bombay, (hereinafter called the 'Union') filed its Written Statement dated 27th November 1963, in which it expressed its surprise that a dispute regarding non-payment of wages had been referred for adjudication. The Union has stated that it had entered into some correspondence with the Government, and was expecting some decision from the Government in regard to this reference, which the Union contends is not with regard to the demand which it had made. The Union, therefore, did not file any statement on the merits of this dispute.

2. The Tribunal also received a letter, dated 9th October 1963 from Shri D. A. Uttam Singh, Deputy Director (Accts. II) for Regional Director (Food), in which he stated that he was informed that the dispute between the Society and their Workmen, regarding wages for long lead had been referred to this Tribunal for adjudication. The letter further stated that since the Society was working as handling contractors at the godowns of the Regional Director (Food), he desired to watch the proceedings in the matter, and requested that he may be intimated of the dates of hearing of the dispute, and he was informed thereof accordingly. Thereafter, the dispute was fixed for hearing on 17th January, 1964.

3. However, at the adjourned hearing of the dispute on 19th March, 1964, Shri Uttam Singh, Deputy Director (Accts. II) for Regional Director (Food), appeared and stated that as this dispute was between the Society and its workmen, the Regional Director (Food) was not interested in the dispute and did not desire to put in any appearance.

4. At the hearing on 19th March 1964, Shri M. P. Joshi, the Assistant Secretary of the Union, stated that as this dispute was not in respect of the demand for which the Union had raised a dispute against the Society, he would file a non-prosecution application and the dispute was adjourned to 20th March 1964, when the Union filed a statement in which after recording the events which according to it had transpired, it stated that the terms of reference having no relevance whatsoever to the actual complaint of breach of agreement, which according to him, the Society was making. He prayed that the Tribunal may return the reference as there was no existing or apprehended dispute in the form mentioned in the terms of reference.

5. The matter was, thereafter taken up on 21st March 1964, when Shri Joshi for the Union stated that for the reasons stated in the Union's Statements, dated 27th November 1963 and 19th March 1964, the Union did not want to press this demand and that the reference may be disposed of as not prosecuted. Shri S. G. Borker, Advocate for the Society, stated that without admitting the facts stated

and the statements made by the Union, the employer Society did not object to the reference being disposed of for want of prosecution.

6. I, therefore, dispose of this dispute as non-prosecuted.

7. No order as to costs

ORDER

New Delhi, the 25th March 1964

S.O. 1185.—Whereas, the employers in relation to Messrs. D. D. Contractor and Company (Private) Ltd., Bombay and the Transport and Dock Workers' Union have jointly applied to the Central Government for reference of an industrial dispute between them to a Tribunal in respect of the matter set forth in the said application and reproduced in the Schedule hereto annexed;

And, whereas, the Central Government is satisfied that the said Transport and Dock Workers' Union represents a majority of the workmen;

Now, therefore, in exercise of the powers conferred by sub-section (2) of section 10 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby refers the said dispute for adjudication to the Industrial Tribunal, Bombay constituted under section 7A of the said Act.

SCHEDULE

Whereas an industrial dispute exists between M/s. D. D. Contractor & Co. Pvt. Ltd. and their workmen represented by the Transport & Dock Workers' Union, and it is expedient that the dispute specified in the enclosed statement should be referred for adjudication by a Tribunal an application is hereby made under Section 10(2) of the Industrial Disputes Act, 1947, that the said dispute should be referred to a Tribunal.

A statement giving the particulars required under rule 3 of the Industrial Disputes (Central) Rules, 1957, is attached.

[No. 31/50/63-ONG(I).]

S.O. 1192.—Whereas by a notification of the Government of India in the Ministry of Mines and Fuel S.O. No. 2502 dated 22nd August, 1963, under sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government declared its intention to acquire the right of user in the lands specified in the Schedule appended to that notification for the purpose of laying pipelines;

And whereas the competent authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Government;

And, whereas, the Central Government has, after considering the said report, decided to acquire the right of user in the lands specified in the Schedule appended to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the said lands specified in the Schedule appended to this notification is hereby acquired for laying the pipelines and in exercise of the powers conferred by sub-section (4) of that section, the Central Government directs that the right of user in the said lands, shall, instead of vesting in the Central Government, vest on the date of the publication of this declaration in the Indian Refineries Limited free from all encumbrances.

[No. 31/50/63-ONG(ii).]

S.O. 1193.—Whereas by a notification of the Government of India in the Ministry of Mines and Fuel S.O. No. 3161 dated 31st October, 1963, under sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government declared its intention to acquire the right of user in the lands specified in the Schedule appended to that notification for the purpose of laying pipelines;

And whereas the competent authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Government;

And, whereas, the Central Government has, after considering the said report, decided to acquire the right of user in the lands specified in the Schedule appended to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the said lands specified in the Schedule appended to this notification is hereby acquired for laying the pipelines and in exercise of the powers conferred by sub-section (4) of that section, the Central Government directs that the right of user in the said lands, shall, instead of vesting in the Central Government, vest on the date of the publication of this declaration in the Indian Refineries Limited free from all encumbrances.

S.O. 1194.—Whereas by a notification of the Government of India in the Ministry of Mines and Fuel S.O. No. 2385 dated 9th August, 1963, under sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government declared its intention to acquire the right of user in the lands specified in the Schedule appended to that notification for the purpose of laying pipelines;

And whereas the competent authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Government;

And, whereas, the Central Government has, after considering the said report, decided to acquire the right of user in the lands specified in the Schedule appended to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the said lands specified in the Schedule appended to this notification is hereby acquired for laying the pipelines and in exercise of the powers conferred by sub-section (4) of that section, the Central Government directs that the right of user in the said lands, shall, instead of vesting in the Central Government, vest on the date of the publication of this declaration in the Indian Refineries Limited free from all encumbrances.

[No. 31/50/63-ONG(IV).]

S.O. 1195.—Whereas by a notification of the Government of India in the Ministry of Mines and Fuel S.O. No. 2567 dated 31st December 1963 under sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), read with S.O. No. 34 dated the 24th December, 1963, the Central Government declared its intention to acquire the right of user in the lands specified in the Schedule appended to that notification for the purpose of laying pipelines;

And whereas, the competent authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Government;

And whereas, the Central Government has, after considering the said report, decided to acquire the right of user in the lands specified in the Schedule appended to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the said lands specified in the Schedule appended to this notification is hereby acquired for laying the pipelines and in exercise of the powers conferred by sub-section (4) of that section, the Central Government directs that the right of user in the said lands, shall, instead of vesting in the Central Government, vest on the date of the publication of this declaration in the Indian Refineries Limited free from all encumbrances.

[No. 31/47/ONG/63-(1).]

S.O. 1196.—Whereas by a Notification of the Government of India in the Ministry of Mines and Fuel S.O. No. 2138 dated the 6th August, 1963 under sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), read with S.O. No. 33 dated the 24th December, 1963, the Central Government declared its intention to acquire the right of user in the lands specified in the Schedule appended to that Notification for the purpose of laying pipelines;

And, whereas, the competent authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Government;

And, whereas, the Central Government has, after considering the said report, decided to acquire the right of user in the lands specified in the Schedule appended to this Notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the said lands specified in the Schedule appended to this Notification is hereby acquired for laying the pipelines and in exercise of the powers conferred by sub-section (4) of that section, the Central Government directs that the right of user in the said lands, shall, instead of vesting in the Central Government, vest on the date of the publication of this declaration in the Indian Refineries Limited free from all encumbrances.

[No. 31/47/63-ONG-(II).]

S.O. 1197.—Whereas by a Notification of the Government of India in the Ministry of Mines and Fuel S.O. No. 2641 dated the 7th September, 1963 under sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), read with S.O. No. 35 dated the 24th December, 1963, the Central Government declared its intention to acquire the right of user in the lands specified in the Schedule appended to that Notification for the purpose of laying pipelines;

And, whereas, the competent authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Government;

And, whereas, the Central Government has, after considering the said report, decided to acquire the right of user in the lands specified in the Schedule appended to this Notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that user in the said lands specified in the Schedule appended to this Notification hereby acquired for laying the pipelines and in exercise of the powers conferred by sub-section (4) of that section, the Central Government directs that user in the said lands, shall, instead of vesting in the Central Government from the date of the publication of this declaration in the Indian Register, be free from all encumbrances.

S.O. 1198.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of petroleum between Barauni Refinery in Bihar State to the Haldia Port in Calcutta in West Bengal State, a pipeline should be laid by the Indian Refineries Limited and that for the purpose of laying such pipeline, it is necessary to acquire the right of user in land described in the Schedule annexed hereto;

2. Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein.

3. Any person interested in the said land may, within 21 days from the date of this notification, object to the laying of the pipelines under the land to the Competent

Authority—Special Land Acquisition Officer, C/o Indian Refineries Limited, P.O. Hathidah, District Patna. Every person making such an objection shall also state specifically whether he wishes to be heard in person or by a legal practitioner.

S.O. 1199.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of petroleum between Barauni Refinery in Bihar State to the Haldia Port in Calcutta in West Bengal State, a pipeline should be laid by the Indian Refineries Limited and that for the purpose of laying such pipeline, it is necessary to acquire the right of user in land described in the Schedule annexed hereto;

2. Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein.

3. Any person interested in the said land may, within 21 days from the date of this notification, object to the laying of the pipelines under the land to the Competent Authority—Special Land Acquisition Officer, C/o Indian Refineries Limited, P.O. Hathidah, District Patna. Every person making such an objection shall also state specifically whether he wishes to be heard in person or by a legal practitioner.
